WESTERN
DIVISION

Foreword

I am pleased to present the Action Plan of Western Division for 2015-2016. Once again with your support, we will ensure that our Division remains a place where it is good to live i.e. everyone in peace, harmony and be free from crime.

Western Division covers an area of 345 Km² with a population of about 445,000. There are fourteen Police stations, two hospital Police posts and four NCG posts in the Division. It comprises of two major municipal towns namely Beau Bassin/Rose Hill and Quatre-Bornes.

Our challenges for this year are to prevent illegal hawkers, ensure road safety, address issues such as illegal taxis, prostitution, drug trafficking, domestic violence and anti social behaviour by the student with a view to ensuring public safety and security. We will maintain an active presence at all public places including at bus terminals, market fairs, commercial areas, etc...

We pledge to concentrate our efforts to tackle property crimes and the high number of fatalities on our road. We will also heartily ensure the security of our senior citizens and our youngsters by our visible presence within the Division.

This plan presents innovative measures that will address these policing issue in a holistic manner. However we cannot achieve our objectives without the support of the community. As Divisional Commander I am appealing to my staff for their sense of commitment.
