## Foreword

I am pleased to present the Rodrigues Police Divisional Policing Plan for 2021. This plan will serve as a guide to ensure that goals set are achieved, progress measured and strategies/ methodologies constantly evaluated. Our pledge is to provide services through partnership with our community which we proudly serve.

Joined the Force on 11.09.1981. Holds a BSc (Hons) in Police Studies. Served in various capacities in the different Divisions/ Branches/ Units and appointed as Divisional Commander of Rodrigues Division on 16.11.2019.

The Rodrigues Police prides itself in providing our community with innovative solutions and best practices in the delivery of policing services. As a department, we will continue to build on the accomplishments of our past while providing quality service to our community now and in the future. As an organization, we are aware that improving the quality of life in our community will always be a collective effort and one which we will continue to embrace.

The Rodrigues Police will focus on efficiency: exploring innovative ways to improve the service standard where available resources will be used to the optimum. Forging even stronger bond with our partners will be one of our priorities in the endeavour to keep the community safe.

**Mr. Russeeawon V. L., SP**  
Divisional Commander  
Rodrigues Division

## Our Commitment

We are committed to improve front-line service and ensure safety and security. We have analysed facts, figures and statistics and took on board feedback of the inhabitants and stakeholders. We have come up with a series of priorities to better serve the Divisional jurisdiction. Apart from contributing towards achieving the Force Priorities, we will also direct our efforts towards:

### CRIME CONTROL & PUBLIC SAFETY

- (i) Reduce Larceny Breaking by 3%.
- (ii) Reduce Larceny on Public Road by 3%.
- (iii) Reduce Sexual offences by 5%.
- (iv) Increase the number of operations on licensed premises (Liquor Shop) by 3%.

### SERVICE DELIVERY/ ENQUIRIES/ PHQ'S/ ICT PROJECTS

In this endeavour, we will concentrate on intelligence-driven activities, supported by stop & search operations, concerted patrols, HC's checks, monitoring of bail callers, as well as derive the maximum from the Integrated Operational Patrol Plan.

- (i) Reduce number of Outstanding cases by 50%.
- (ii) Ensure 75% of correspondences/ letters are responded to within 21 days.
- (iii) Reply to PHQ's within 15 days as the case may be.
- (iv) Reply to PIAC correspondences within five (5) working days.
- (v) Ensure a 100% usage of Crime Occurrence Tracking System (COTS).

Administrative mechanisms in place at the level of Divisional Headquarters and Police Stations play a vital role and has a direct impact on Policing and the quality of service delivery. Therefore, we will ensure that administrative support are optimised in ensuring that objectives set are achieved.

### COMBATTING DANGEROUS DRUGS & ABUSIVE SUBSTANCES

- (i) Increase the rate of successful operations by 3% (arrests & seizure).
- (ii) Increase sensitisation sessions by 5%.

In this endeavour, Rodrigues ADSU will fight drugs on the Supply and Demand front. We will carry out intelligence-led operations intensively. We will conduct sensitization and awareness in primary and secondary schools, youth clubs, sites of works and community groups throughout the country to prevent people falling prey to the drug trap.

### ROAD SAFETY

- (i) Reduce Road Accident (K&SI) by 3%.
- (ii) Conduct monthly Road Safety Awareness sessions.

Our strategic action would be: Trigger crackdown operations at accident prone areas, conduct concerted patrol, intensify stop and search operations, increase road safety awareness sessions.

### STRENGTHEN PARTNERSHIP & CRIME PREVENTION

- (i) Conduct at least 70% Victim Support & Advice in reported cases of crime with support of CPU.
- (ii) Implement a minimum of 5 Neighbourhood Watch Schemes.
- (iii) Conduct monthly Crime Prevention session.
- (iv) Conduct of Community Policing:
  - (a) Neighbourhood Level I - One neighbourhood meeting on a monthly basis;
  - (b) Station Level II - Meeting with Neighbourhoods & Stakeholders every 2 months; and,
  - (c) Divisional Level III - Twice a year meeting with representatives of Community, Stakeholders, Business Sector, Religious bodies & so forth.

We would identify and take on-board neighbourhoods and stakeholders to work together towards solidifying collaboration thereby fostering safer communities.

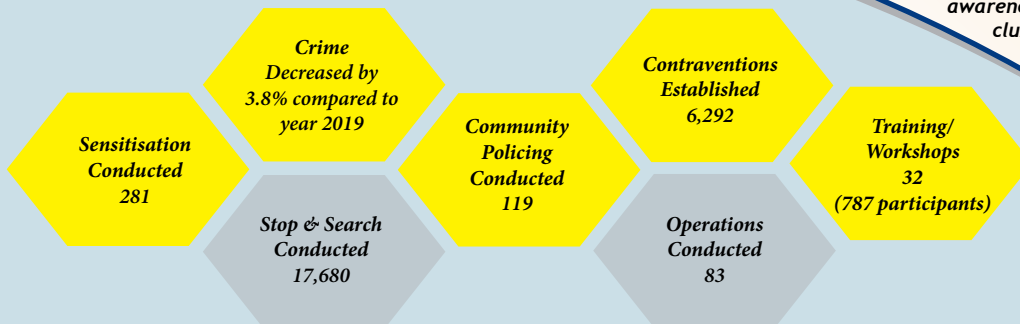

### POLICING VULNERABLE GROUP: CURBING GENDER-BASED VIOLENCE

- (i) Conduct monthly sensitisation to victims of domestic violence with support of PFPU.
- (ii) Conduct fortnightly awareness session to prevent child abuse with support of PFPU & BDM.
- (iii) Conduct fortnightly visits to elderly persons with support of CPU.

We will endeavour to protect vulnerable groups of the society by tendering a caring attitude and service. We would therefore conduct appropriate sensitisation sessions so as to reduce gender-based violence.
