Foreword

I am pleased to present the Divisional Annual Policing Plan for Western Division. This plan sets out the Policing Objectives, tailor-made in line with the Strategic Priorities of the MPF and taking into consideration the needs and expectations of members of the Community and challenges faced by the division over the years.

Joined the Force on 07.12.1981. Served in various capacities in Divisions: Metro South, Metro North, Southern, O/C CID Metro South, Central Division and as Head of the Police Training School from 01.01.2016 to 31.01.2019.

Since the beginning of 2020, we have achieved a major reduction in cases of larceny and the detection rate has been on the increase. We have, however, noticed a slight increase in fatal road accidents.

Looking ahead in addressing the different challenges, we are aiming at making the division safer through collaborative partnership with different stakeholders in order to tackle crime and criminality and other issues affecting law and order. We are determined to reduce the number of serious road accidents and curb down domestic violence which is of serious concern nowadays.

As set out in this plan, we shall endeavour to make intelligent and optimum use of all available resources and technological assets. With renewed vigour we will improve our collaboration with different stakeholders and provide unflinching support to community.

This Divisional Policing Plan is yet another indication of our commitment to meet the needs and expectations of our valued customers.

Mr. Bhunnoo, M.I., ACP
Divisional Commander
Western Division

Our Commitment

We are committed to improve front-line service and ensure safety and security. We have analysed facts, figures and statistics and took on board feedback of the inhabitants and stakeholders. We have come up with a series of priorities to better serve the Divisional jurisdiction. Apart from contributing towards achieving the Force Priorities, we will also direct our efforts towards:

CRIME CONTROL & PUBLIC SAFETY

- (i) Reduce Larceny Breaking by 3%.
- (ii) Reduce Larceny on Public Road by 3%.
- (iii) Increase the number of operations on licensed premises (Liquor Shop) by 3%.

In this endeavour, we will concentrate on intelligence-driven activities, supported by stop & search operations, concerted patrols, HC's checks, monitoring of bail callers, as well as derive maximum benefit from the Integrated Operational Patrol Plan.

SERVICE DELIVERY/ ENQUIRIES/ PHQ'S/ ICT PROJECTS

- (i) Reduce number of Outstanding cases by 50%.
- (ii) Ensure 75% of correspondences/ letters are responded to within 21 days.
- (iii) Reply to PHQ's within 15 days as the case may be.
- (iv) Reply to PIAC correspondences within five (5) working days.
- (v) Ensure a 100% usage of Crime Occurrence Tracking System (COTS).
- (vi) SafeCity Project:
 - (a) Sub-Command Centre (SCC) at Divisional Level to be fully operational and merged with Divisional Operations Room by March 2021.
 - (b) Station Monitoring Bay (SMB) within station areas to monitor CCTV cameras in real time.

Administrative mechanisms at Divisional HQs and Police Stations play a vital role and has a direct impact on Policing and the quality of service delivery. Therefore, we will ensure that administrative support are optimised in ensuring that objectives set are achieved.

ROAD & RAIL SAFETY

- (i) Reduce Road Accident (K&SI) by 3%.
- (ii) To conduct quarterly awareness session on Light Rail Safety with the community and Stakeholders.

Our strategic action would be: Trigger crackdown operations at accident prone areas, conduct concerted patrol, intensify stop and search operations, increase road and rail safety awareness sessions.

STRENGTHEN PARTNERSHIP WITH THE COMMUNITY & CRIME PREVENTION

- (i) Conduct at least 70% Victim Support & Advice in reported cases of crime with support of CPU.
- (ii) Implement a minimum of 5 Neighbourhood Watch Schemes at Divisional level.
- (iii) Conduct of Community Policing:
 - (a) Neighbourhood Level I - One neighbourhood meeting on a monthly basis;
 - (b) Station Level II - Meeting with Neighbourhoods & Stakeholders every 2 months; and,
 - (c) Divisional Level III - Twice a year meeting with representatives of Community, Stakeholders, Business Sector, Religious bodies & so forth.

We would identify and take on-board neighbourhoods and stakeholders to work together towards strengthening collaboration thereby fostering safer communities & reducing fear of crime.

Divisional Objectives 2021

- (i) Conduct monthly sensitisation to victims of domestic violence with support of PFPU.
- (ii) Conduct fortnightly awareness session to prevent child abuse with support of PFPU & BDM.
- (iii) Conduct fortnightly visits to elderly persons with support of CPU.

We will endeavour to protect vulnerable groups of the society by tendering a caring attitude and service. We would therefore conduct appropriate sensitisation sessions so as to reduce gender-based violence.
