I am pleased to present the Metropolitan Division (North) Annual Policing Plan 2021. Our policing priorities have been set through community consultations. This plan outlines our collective policing priorities and strategies to achieve them.

Our objectives for 2021 is to make the community safer through engaged and supportive communities, to reduce crime and enhance community safety through interventions, to reduce number of road fatalities, to provide a high quality service to the community and reduce domestic violence.

We will boost our efforts to meet the expectations of our people and permanently improve our achievement throughout the year. We will aim in achieving our objectives in consultation with members of the community and other stakeholders during our different community policing forums and careful scanning of the Division.

We are convinced that with the commitment of our personnel and the unflinching support of our community partners, we will achieve our goals in making the Division a safer place.

Mr. Ramkeelawon, R.C.R., ACP
Divisional Commander
Metropolitan Division (North)

CRIME CONTROL & PUBLIC SAFETY

In this endeavour, we will concentrate on intelligence-driven activities, supported by stop & search operations, concerted patrols, HC’s checks, monitoring of bail callers, as well as derive the maximum from the Integrated Operational Patrol Plan.

ROAD SAFETY
(i) Reduce Road Accident (K&SI) by 3%.

Our strategic action would be: Trigger crackdown operations at accident prone areas, conduct concerted patrol, intensify stop and search operations, increase road safety awareness sessions.

SERVICE DELIVERY/ ENQUIRIES/ PHQ’S/ ICT PROJECTS
(i) Reduce number of Outstanding cases by 50%.
(ii) Ensure 75% of correspondences/ letters are responded to within 21 days.
(iii) Ensure that Administrative support are optimised in ensuring that objectives set are achieved.

(i) Conduct monthly sensitisation to victims of domestic violence with support of PFPU.
(ii) Conduct fortnightly awareness session to prevent child abuse with support of PFPU & BDM.
(iii) Conduct fortnightly visits to elderly persons with support of CPU.

We will endeavour to protect vulnerable groups of the society by rendering a caring attitude and service. We would therefore conduct appropriate sensitisation sessions so as to reduce gender-based violence.

We would identify and take on-board neighbourhoods and stakeholders to work together towards strengthening collaboration thereby fostering safer communities & reducing fear of crime.

Our Commitment
We are committed to improve front-line service and ensure safety and security. We have analysed facts, figures and statistics and took on board feedback of the inhabitants and stakeholders. We have come up with a series of priorities to better serve the Divisional jurisdiction. Apart from contributing towards achieving the Force Priorities, we will also direct our efforts towards:

CRIME PREVENTION
(i) Implement a minimum of 5 Neighbourhood Watch Schemes at Divisional level.
(ii) Conduct of Community Policing: (a) Neighbourhood Level I - One neighbourhood meeting on a monthly basis;
